Listen to the sounds of the ocean?

Book your dive now

CONDITIONS

- No special fitness is needed, anybody of any age and condition can enjoy a dive.
- Cases of people with reduced mobility will be taken in account.
- In this type of submersible there are no accelerations, no pressure changes and no medical counter-indication.
- During the dive we are at the same pressure as in sea surface. Air is cleaned inside and you can breathe like on surface.
- Dives will run only in good marine weather conditions.

Do you want to live a unique and life changing experience?

Experienced pilots assert that diving in a submersible is one of the best 10 experiences one can live along ones' life.

TARIFFS:
